

FOLDING A STROLLER HAS NEVER BEEN SO MAGICAL

Zippy Light is the lightweight, compact stroller that opens, closes and strolls with just one hand. Suitable for newborns to 55lbs, it boasts a generous comfortable seat, a fully reclining backrest, an adjustable footrest and a large extending hood for maximum protection against sun rays. Zippy Light stands upright on its own when folded.

Zippy Light includes:

- Stroller complete with hood
- Storage basket
- Cup holder
- Bumper bar
- Rain cover

Features:

- Light-weight and compact stroller, suitable for use from birth to 55lbs
- Legendary one-hand opening and closing system, patented by Inglesina
- Stands upright when closed.
- Front swivel wheels
- 6.30" diameter wheels
- Single-control active brake, which is automatically positioned when engaged to guarantee greater safety during use.
- Large storage basket with reinforced base. The reflective material profile makes evening strolls safer.
- Cup holder incorporated into the frame
- Soft removable bumper bar.
- Adjustable 5-point harness system featuring 3-height positions to accommodate your growing child, complete with protective shoulder straps.
- 3-Position reclining backrest with central control.
- Adjustable two-position footrest.
- Fully removable internal lining, hood and bumper bar can be hand-washed at 86 °F.
- The hood is also width-adjustable, thanks to the practical stowaway zip-fastening insert, and it is fitted with an additional removable sun visor with UPF50+ treatment for protection against UV rays.
- The hood is equipped with a mesh insert for improved internal air flow and allows you to see your baby at all Times while you walk.
- Single handle for convenient operation, even with just one hand.
- The back of the crotch harness is made of soft Lycra for prolonged comfort.
