

The queen of prams.

Inspired by nineteenth-century British aristocracy and refined in Italy by Inglesina, there is nothing quite like the Classica. This enduring model of family and tradition features a timeless yet uniquely contemporary design. Handcrafted in Italy by skilled artisans using only the finest materials, the Classica places your child at the pinnacle of safety, comfort and style. However, the Classica is not for everyone. It is only for those looking for an exclusive family heirloom, to be admired and remembered for generations.
